# What Our Clients Say

YCS is the backbone of our hotel operations, reliable, scalable, and built for growth.

Mayank Agarwal - Group General Manager

Summit Hotels and Resorts

Playotel Resort

We started with YCS and never looked back. New properties go live in minutes, not days.

Somnath Shrivastava - Corporate Revenue Manager

We scaled to 107 properties with YCS as the reliable foundation behind our operations.

Devakant Sanasam - Operations Manager

Zostel

Swosti Group of Hotels

Technology has always been a priority. YCS enables real-time insights, faster reporting, and smarter decisions across all our hotels.

Santosh Kumar Nayak - Group Vice President & CFO

Since 2021, YCS helped us scale from 1 to 12 properties, cutting OTA updates from 3 hours to 10 minutes.

Arjun Vacher - Founder and Director

Upar Hotels
